**New Business:**

1. Coach Polansky has requested a table top scorer and timer which would be very useful for quad meets which require two scoreboards. This can be used by other sports programs as well or as a back up for our current scoreboard.  
*This request was passed by a vote of the members present.*
2. The Booster Club will also be purchasing "Foam" for the wrestling team. In light of the close personal contact between our wrestlers with other wrestlers and the mats and health concerns we feel that it is a necessity.  
*This suggested was passed by a vote of the members present.*
3. With the basketball and wrestling season due to begin very shortly. We are requesting volunteers to work at the concession table during home games. If you will be available please contact us!!!
4. We will contact the Basketball coach again to see if he requires anything that is not supplied by the school.
5. There was a suggestion made for the Booster Club to help our students put together a float for a parade to be held on November 29, 2009 in North, Attleboro. THERE IS A \$500.00 PRIZE AT STAKE!!!! There are three categories and one prize each category of \$500.00 will be awarded. Right now there are only 6 entries!!!!!! Our chances would be very good considering the talent and imagination of our kids!!!!!! If anyone is interested please contact us.
6. The Booster Club is sponsoring the Varsity/Parent/Teachers volleyball game to be held on November 13, 2009!! The Booster Club will have a refreshment table at this event. Tickets have been made and are selling for \$2.00 each. We are also checking the possibility of holding a 50/50 raffle at this event.
7. We will confirm with Mr. Dempsey that all the dates of future BC meetings have been authorized.
8. Baseball/Soft ball is not available for this season as far as we know.
