AARON L. POLANSKY

September 23, 2008

Dear Prospective “*SuperFan*”:

Bristol County Agricultural High School is a public Agricultural high school located in Dighton, Massachusetts. The school was founded by an act of the Massachusetts Legislature in November of 1912. A Board of Trustees and a Director were appointed in 1913. Land was then purchased near the center of Bristol County, on Center Street in the Town of Dighton.

Since then, through purchases, gifts, and legacy, the school’s campus and outlying areas now comprise 220 acres on four closely located properties. Bristol County Agricultural High School currently serves students from 20 different communities through a competitive application process where a limited number of students are accepted on an annual basis to pursue studies in the following majors:

- Agricultural Mechanics/Diesel Technology
- Large Animals
- Small Animal Technology
- Floriculture
- Arboriculture
- Landscaping
- Natural Resources

The Bristol County Agricultural High School Athletic Program is currently limited in our Interscholastic Athletic offerings. The Bristol Aggie Booster Club has organized a “SuperFan” Sponsorship Program with hopes of supporting the financial costs associated with expansion of the Bristol Aggie Athletic Program.

Enclosed you will find information pertaining to the “SuperFan” Sponsorship Program. Any contribution you are willing to make will prove beneficial to our efforts. We thank you in advance for your ongoing support, and wish you well as the 2008-2009 school year continues. Please feel free to contact me at any time if you should have questions or suggestions pertaining to our fundraising efforts.

Sincerely,

Aaron L. Polansky

2008-2009 BRISTOL AGGIE BOOSTERS
"SuperFan" SPONSORSHIP PACKAGES
ORDER FORM

Name/Business: _____
 Address: _____
 Contact Name: _____

Email: _____
